corporate social responsibility

As an organization that prides itself on giving back to the community that has so graciously supported us along our journey. Weldone endeavors to be a firm that leaves a positive impact upon society at large. Our CSR activities span a wide array of social welfare issues including multiple medical camps and ration drives, strengthening educational infrastructure by contributing to additional facilities and scholarships for talented yet underprivileged students. We also strive to develop a progressive culture within the community through the promotion of islamic education and seminars on education, business, and cultural values. Weldone firmly believes in the principles of commitment to quality and the development of a progressive community.
